## NANAIMO CITY BY-LAW.

## CORPORATION OF THE CITY OF NANAIMO.

*A By-Law for raising the sum of five thousand dollars for the re-building of Bastion Street Bridge.*

WHEREAS it is necessary that the present bridge across the ravine at Bastion Street be replaced by a substantial structure;

And whereas the estimated cost of said bridge is \$5,000.00, which sum it is proposed to raise by way of loan upon the credit of the said City as hereinafter mentioned;

And whereas, it will require the sum of \$717.00 to be raised annually by a special rate for the payment of the debt intended to be hereby created, and the interest thereon;

And whereas, the amount of the whole rateable property of the said City according to the last revised assessment roll is \$575,543.00;

And whereas, it will require an annual special rate of one and one-quarter mills in the dollar for paying the interest and creating an equal yearly sinking fund for paying the principal of the said intended debt, according to the "Municipal Act, 1889;"

And whereas, it is intended to reduce the general rate so that the said special rate shall not increase the total rate of taxation;

Be it therefore enacted, by the Mayor and Council of the Corporation of the City of Nanaimo, as follows:

1. It shall be lawful for the Mayor of the said City to raise by way of loan from any person or persons, body or bodies corporate, who may be willing to advance the same upon the credit of the debentures hereinafter mentioned, a sum of money not exceeding in the whole the sum of \$5,000.00, and cause the same to be paid into the hands of the City Clerk or Treasurer

of the said City, and with the objects hereinbefore recited.

2. It shall be lawful for the said Mayor to cause any number of debentures to be made, each for such sum of money, not less than one hundred dollars, as may be required, and all such debentures shall be sealed with the seal of the Corporation of the City of Nanaimo, signed by the said Mayor, and countersigned by the City Clerk or Treasurer of said City.

3 The said debentures shall be made payable in twelve years from the day hereinafter mentioned for this by-law to take effect, at the office of the City Clerk or Treasurer of the City of Nanaimo.

4. The said debentures shall have coupons attached for the payment of interest at the rate of not more than six per centum per annum on the amount of said debentures from the date thereof, which interest shall be payable half-yearly at the office of the City Clerk or Treasurer.

5. For the purpose of forming a sinking fund for the payment of the principal of said debentures, and interest to become due thereon, an equal special rate of one and one-quarter mills in the dollar shall, in addition to all other rates, be raised, levied and collected in each year upon all the rateable property in said City during the continuance of said debentures.

6. It shall be lawful for the said Corporation from time to time to re-purchase any of the said debentures, at such price or prices as may be mutually agreed upon between the holders of said debentures and the said Corporation, and all debentures so re-purchased shall be forthwith cancelled, and no re-issue of debentures, or any debenture, shall be made in consequence of said re-purchase.

7. This by-law shall, before the final passing thereof, receive the assent of the property owners of the said Corporation, and shall take effect on the fifteenth day of November, 1889.

The by-law may be cited for all purposes as the "Bastion Street Bridge Loan By-Law, 1889."

Received the assent of the electors on Monday, the 14th of October, 1889.

Received and fully passed by the Municipal Council on Monday, the 14th day of October, 1889.
